01. What is Lacunza Summer Camp?

Shared fun and learning in an international setting!

Lacunza Summer Camp is the best possible experience for both personal and academic development in an active, playful setting. An international, bilingual language camp for campers aged between 6 and 17, located in San Sebastian, surrounded by sea, countryside and activities for all ages and interests, with the guarantee of over 65 years of experience on the part of Lacunza ih.

An international camp without leaving home.

Over 13 editions our campers have come from all round the world.

USA, UK, FRANCE, ITALY, RUSSIA, TURKEY...

We have qualified Lacunza teachers and monitors of different nationalities to offer the campers cultural enrichment and an internationally immersive experience.

02. LSC Values.

A group of young people, likely campers, are seen from behind as they hike on a rocky trail. They are wearing various backpacks and casual clothing. The scene is set outdoors with a clear sky and some greenery in the foreground.

A camp for everyone.

LSC campers will enjoy an action-packed summer, learning how to care for others and the environment, having fun and discovering the region in a sustainable way in groups adapted to their age.

During the camp our campers will learn to care for their environment and the planet, as we travel on public transport and promote a healthy lifestyle through sport and games, avoiding sedentary habits.

Lacunza Teachers

All our English teachers have a University degree, an accredited language teaching qualification, and constant in-house training. Our classes are tailored to the campers' levels and ages, ensuring that they all achieve appropriate progress.
